THE EROS

No Flip / Pillow Top Design

Eliminates the hassle involved with flipping a two-sided mattress.

30 YEAR **WARRANTY** AGAINST DEFECTS IN MANUFACTURING

LATEX

Easily forms to the countours of the body, but not prone to lasting body impressions. A more breathable foam, eco-friendly and naturally hypo-allergenic.

FLEX FOAM

Two inch thick, soft flex foam adds extra comfort and support to this entire mattress.

BAMBOO COVER

Bamboo's soft and luxurious feel combined with its natural, anti-bacterial and moisture managing properties create fabrics that offer a greater sleeping comfort.

POCKETED COILS

More "motion separation" than a conventional spring unit. This design allows each spring to quickly respond to the movement and contours of your body.

FOAM ENCASED UNIT

Provides full perimeter reinforcement with high density foam, making this mattress more durable. Increases usable sleep space by up to 20%.
