Hospitality Mattress Solutions

GREENBUILT
RENEWED COMFORT. GREENER FUTURE.

MBC Motel GreenBuilt Collection

MOTEL SAVER

Budget-Friendly Comfort & Value

OUR MOST ECONOMICAL MODEL

AT A GLANCE

- Reliable guest comfort you can count on
- Built to control replacement costs
- Ideal for budget-conscious hospitality properties

Designed for practical hospitality use

A straightforward, value-focused choice for budget-conscious motel and hotel properties seeking dependable guest comfort and a clean, professional room presentation.

- **Two-sided mattress / flippable**
- **Dependable everyday guest comfort**
- **Clean, traditional room presentation**
- **Factory-direct hospitality value**

The Motel Saver is built for properties where controlling replacement cost matters, while still providing guests with a comfortable, professionally finished mattress set. It is a sensible entry point into the MBC hospitality lineup and an easy fit for value-driven room programs.

MOTEL SAVER MATTRESS & FOUNDATION SET

Actual fabric and detailing may vary by production specification.

GREENBUILT - REBUILD OR REPLACE, YOU CHOOSE

Some mattresses can be professionally rebuilt instead of fully replaced, helping properties reduce waste and control costs.

- Dry-heat sanitation
- Inspection and disassembly
- Repairs as needed
- New comfort materials
- New cover and finishing

FAST LOCAL SERVICE

Manufactured locally in Southern California for faster service, delivery, and support.

- Factory-direct pricing
- Hospitality-focused experience
- Serving hotels, motels, resorts & extended-stay properties
- Since 1980
