MBC Motel GreenBuilt Collection

ULTRAPEDIC

Enhanced Comfort & Upgraded Support

AN AFFORDABLE COMFORT UPGRADE

AT A GLANCE

- Enhanced comfort guests can feel
- Upgraded support at a smart value
- Ideal for value-minded property upgrades

Designed for upgraded guest comfort

A practical upgrade for motel and hotel properties seeking a more comfortable sleep surface, improved support, and a clean, professional room presentation.

- **Single-sided design / enhanced comfort**
- **Upgraded support for better guest feel**
- **Clean, tailored room presentation**
- **Affordable step-up in hospitality value**

The Ultrapedic is built for properties wanting a noticeable improvement in comfort without moving into a premium price tier. It is a smart mid-level option in the MBC hospitality lineup and an easy fit for value-focused room upgrades.

ULTRAPEDIC MATTRESS & FOUNDATION SET

Actual fabric and detailing may vary by production specification.

GREENBUILT - REBUILD OR REPLACE, YOU CHOOSE

Some mattresses can be professionally rebuilt instead of fully replaced, helping properties reduce waste and control costs.

- Dry-heat sanitation
- Inspection and disassembly
- Repairs as needed
- New comfort materials
- New cover and finishing

FAST LOCAL SERVICE

Manufactured locally in Southern California for faster service, delivery, and support.

- Factory-direct pricing
- Hospitality-focused experience
- Serving hotels, motels, resorts & extended-stay properties
- Since 1980
